

# Son Fest 10

Our Mission Celebrate Jesus and the unity of the wonderfully diverse Body of Christ. To reach out to our community/ area through music. To share His message of salvation and unconditional love with people of all backgrounds and cultures.

Son Fest is a 100% volunteer driven event that is not affiliated with any one church but rather supported by many different churches. Now, in our fourth year, our mission remains to bring the Body of Christ together for worship and fellowship, and to reach out to the lost with the gospel of Jesus Christ!

Many churches have asked about how to help support Son Fest so we are offering these sponsorship opportunities for partnering churches.
